

DOG FRIENDLY PARKS in the Shire of Manjimup

*We love your pooch just like you do! However, it is important to realize that much of the Shire of Manjimup is national parks and reserves. In order to keep a balance between being a friendly place for our native flora and fauna, as well as for people and their pets, we have guidelines in place for your pets. Please adhere to these at all times.**

Dogs must be kept on a lead unless in official Dog Exercise Areas. In official areas dogs must be accompanied by owner, who carries lead and supervises dog, particularly in presence of other dogs and people.

Please clean up after your dog.

Please refer to the Shire of [Manjimup Official Guide](#)

**Please be aware that the Department of Biodiversity, Conservation and Attractions carries out fox and feral cat baiting regularly. This presents a risk to your pets who are in national parks and reserves.*
