

## Membership 2019/20 Year

Thank you for the support you have provided to the Manjimup Visitor Centre as we work to promote the region and its many attractions and activities. The Centre is a not for profit organisation operating with a dedicated committee, manager and a team of volunteers who keep the Centre open 6 days a week.

In 2018 the Centre recorded approximately 30,000 visitors into the Centre, where they were provided advice on tourism related queries and information on our town's services in general. Information on Manjimup and the surrounding towns was also provided to those seeking information by phone, email, through our website and by our social media channels. 2019/20 has some exciting changes on the horizon which we hope will only allow us to showcase your business even more to a wider range of tourists and visitors to our beautiful southern forests region.

We hope those who took out a membership with the Manjimup Visitor Centre in the previous financial year found we were able to enhance their business and provide a very strong return on their investment.

We now invite you to become a member of the Manjimup Visitor Centre for the 2019/20 financial year, which as is indicated on the membership categories offers a diverse range of services to benefit your business.

Should you wish to proceed with membership please complete the attached member details and package option form and return it to the Centre. Once your form has been received and payment has been made by the 31<sup>st</sup> August 2019 we will proceed with implementing the items which form part of your membership package.

Thank you again for the support you have provided to the Manjimup Visitor Centre and we look forward to partnering with you going forward to grow tourism in our region.

Yours sincerely

Kathy Savage  
President
